

Empathy Map

Date	15 March 2024
Team ID	SWTID-2026-6707
Project Name	Credit Card Approval Prediction
Maximum Marks	4 Marks

Empathy Map

An empathy map to understand the credit card applicant from four perspectives—what they Say, Think, Do, and Feel—in relation to the credit card approval process. This helps the development team understand the applicant's needs, expectations, and challenges, enabling them to build a customer-centric Credit Card Approval Prediction System that provides faster, more accurate, and transparent approval decisions.
